AR Calling

Calling to the insurance to verify the eligibility and clarifying the denials.

- Getting claims status from the on-website insurance
- Clarifying the actual denial concepts and finding the solutions
- Finding appeal addresses information for further process

Improve Your Revenue

HOW DOES IT WORK?

1 **Consultation & Screening**

If we are a good fit, a member of our team will schedule a call with you to discuss how we can tailor our service to your practice.

2 **Complimentary Audit**

We will then dedicate a team to audit your current Revenue Cycle Management process and developdata-driven

3 **Service Begins**

That same team of specialists then turns those recommendations into real, quantifiable results.

4 **Adapt as Needed**

Our lean structure and agile methodology allows us to forecast, adapt and report as needed to constantly improve our services.
